NEW! MISDU LIVE CHAT

Many child support payments are processed through the **Michigan State Disbursement Unit (MiSDU)**. The MiSDU website now has a live chat feature to make getting information about child support payments easier. Check out the [MiSDU website](#) to give it a try.

NEW! MICHILDSUPPORT USEFUL LINKS

The **MiChildSupport** website now provides links to frequently used forms and documents. You can now access, complete and submit Kent County FOC forms through the [MiChildSupport website](#). The site includes work search reports, motions to change support, and parenting time complaints. You can also sign up for a mediation or an appointment with your child support case manager through the links provided.

SCHOOL STARTS SOON!

Back to school is just around the corner. If you have school, custody, or parenting time issues to resolve before school starts, consider **FOC Mediation**.

We have sessions available each week, and you can get an appointment as soon as next week. FOC Mediation is free.

Mediation is voluntary, so both parents need to sign up and agree to participate. All cases are screened for domestic violence before mediation. Sign up [here](#).
