# **Public Comment Opportunity**

## **THE FRIEND OF THE COURT COMMUNITY ENGAGEMENT TASK FORCE WANTS TO HEAR FROM YOU**

Kent County 17th Circuit Court oversees almost 40,000 orders for child support each year.

While the vast majority of parents make their child support payments, many do not.

During this listening session, the Community Engagement Task Force wants your input on the child support system:

- What can be done to improve the system to increase the number of parents who comply with child support orders?
- How should we respond when parents fail to pay support?
