## **Administrator/Controller Forum Scheduled**

**GRAND RAPIDS** – The role of the Kent County Administrator/ Controller is critical, implementing Board policies, overseeing the daily activities of the County, serving as the Chief Administrative and Financial Officer, and supervising functions that report to the Board of Commissioners. The Administrator/Controller Recruitment (ACR) Subcommittee finalized the remaining steps in the recruitment process and identified two candidates who have been invited for interviews. These candidates are:

Marc S. Ryan - Land O'Lakes, Florida

The next steps in the process are outlined below:

- January 10, 2018, 5 p.m. to 7:30 p.m.: An open Candidates Community Forum will be held in the Multi-Purpose Room at the Human Services Complex, 121 Franklin SE, in Grand Rapids. This will provide an opportunity for the public to provide feedback regarding the candidates.
- January 11, 2018, 10 a.m. to 1 p.m.: Finalist candidate interviews with the full Board of Commissioners. These interviews are open to the public.
- January 11, 2018, 2 p.m. to 3 p.m.: ACR Subcommittee to review Commissioner feedback and identify the top candidate to recommend to the Board of Commissioners for consideration.

“The Committee is proud to hold the Community Forum and ask for public feedback in the recruitment process for this important role,” according to Administrator/Controller Recruitment Subcommittee Chair Sandi Steensma. “The community’s input in the process is critical to making the right decision for such an important leadership role. We hope residents will make their voices heard as we complete this process.”
